About O'Hair Shutters, Ltd.

Founded in 1940, O'Hair is the premier manufacturer of American made, American hardwood shutters and venetians. Using the ideal blend of precision engineering, computer-controlled milling and traditional joinery, our window treatments offer a standard of beauty, stability and long life that is unmatched by any other. Family owned and operated, O'Hair has honed its expertise with the accumulated experience of four generations of the O'Hair family. When you purchase an O'Hair product, you are purchasing the best. We guarantee it.
